ABOUT DOSSUR

Dossur Real Estate Development Company has distinguished itself with over 15 years of extensive experience in real estate development and contracting in the Kingdom of Saudi Arabia.

Throughout these years, it has successfully executed numerous commercial, heritage, residential, and industrial complexes across the Kingdom.

With a clear vision, Dossur decided to enter the Egyptian market to achieve further successes and introduce innovative projects that meet the aspirations and needs of clients, offering projects that bring more luxury, safety, and sustainability.

OUR VISION

Dossur Company aims to create unique standards and foundations that make it a distinguished model for a developed society through smart, fully-serviced projects that meet clients' needs and achieve quality, luxury, privacy, and happiness.

We rely on our consulting expertise to achieve our future ambitions.

OUR MESSAGE

To enhance the quality of life and introduce a new perspective in the Egyptian real estate market through our modern projects that align with our vision. We aim to meet the needs of families and individuals with secure, sustainable housing and comprehensive modern services.

OUR VALUES

Sustainability

At Dossur, We offer eco-friendly projects and believe that preserving the environment is one of humanity's noble goals.

Responsibility

At Dossur, We take our responsibility towards our communities seriously by developing sustainable projects that improve quality of life.

Commitment

At Dossur, We are committed to the highest standards of integrity in all our real estate dealings to ensure transparency and trust in every project we undertake.

Innovation

At Dossur, We strive to present unique projects and smart housing solutions that meet contemporary needs and exceed our clients' expectations.

OUR AIM

To provide innovative and distinctive designs that go beyond traditional concepts, ensuring comfort and suitability for your daily lifestyle. Starting from creating a safe and comfortable living environment to offering essential amenities that make your life simpler, easier, and more luxurious.

OUR PREVIOUS PROJECTS

WITH INVESTMENTS TOTALING 80 MILLION SAUDI RIYALS.

The image features a close-up, diagonal view of the Egyptian flag. The top portion is a vibrant red, which transitions into a white band, and finally into a black band at the bottom. The flag is set against a dark grey, textured background that resembles concrete or stone. The lighting creates soft shadows and highlights the folds of the fabric.

BOARD OF DIRECTORS

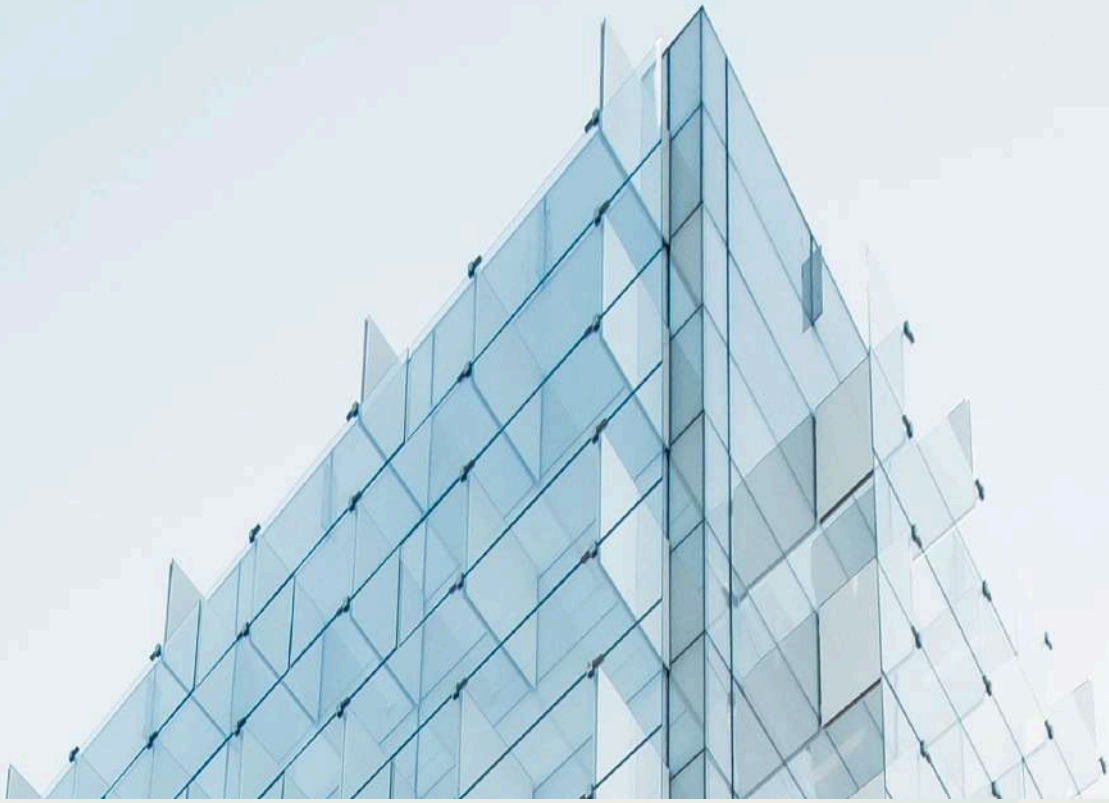

Eng. Wael Abu El-Magd

The CEO of Dossur Developments in Egypt, is an experienced architect with over 20 years of experience, holding a Bachelor's degree in Architectural Engineering.

He is a partner and co-founder of Dossur Developments, as well as an investor and partner in Dossur Contracting Company in the Kingdom of Saudi Arabia, where the company has executed numerous large projects such as the Prince Sattam University Stadium and exhibition grounds in Riyadh.

He previously served as a project manager at the Individual Centers Contracting Company in the Kingdom.

BOARD OF DIRECTORS

Eng. Sayed Al-Hassanein

A Civil Engineer with 25 years of experience and a Bachelor's degree in Civil Engineering, has worked in various contracting and real estate development companies before becoming an investor and executive manager of project management at Dossur Contracting Company in Riyadh. He supervised the execution of numerous educational, residential, commercial, and service projects, including the construction of the Boys' Technical College in Al-Qwayiyah Governorate, the Arjan Project in Jubail, the development of the North Vegetable and Fruit Market in Riyadh, the exhibition and celebration square in Riyadh city, and the construction of the sports stadium at Prince Sattam University in Al-Kharj Governorate, in addition to many investment projects in various residential neighborhoods in Riyadh.

BOARD OF DIRECTORS

Eng. Ashraf Abdel Hafez

A Civil Engineer with 25 years of experience and a Bachelor's degree in Civil Engineering, has held various positions in companies specializing in engineering consulting, contracting, and real estate development before becoming an investor and executive manager of designs and studies at Dossur Developments in Cairo. He previously worked as a construction engineer at the Ministry of Youth and Sports in Egypt, overseeing the implementation of sports facilities, and as a consulting engineer at Al-Bahiry Office supervising road and bridge projects. He also worked at Al-Masaud Company in Riyadh and Al-Marshad Investment and Real Estate Development Company in executing various residential, commercial, and industrial projects, and managed projects at Al-Marshad Holding Group, overseeing charitable, commercial, residential, and industrial projects.

**AT DOSSUR,
WE BELIEVE THAT REAL ESTATE IS NOT JUST WALLS,
BUT RATHER A LIFE THAT SHAPES OUR FUTURE.**

THANK YOU
